ICAS Assessments

Dear Parents/Carers

Next term, we are offering our students the opportunity to sit the ICAS assessments. ICAS is a highly regarded assessment program for schools which enables students to identify their levels of academic performance across the subject areas of Digital Technologies and Writing (Years 3-6) and English, Mathematics and Science (Years 2-6). Each participating student will receive a certificate and an online result report. These assessments are administered online.

This year, the school is subsidising approximately 50% of the assessment fee should you wish your child to participate.

Belinda Hanson
 ICAS Coordinator

Les Daley
 Principal
