## **Year 6 moving into Year 7 2026**

Dear Parents/Carers,

To enrol your child in Year 7 for 2026, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school you would like your child to attend in Year 7.

The EOI process is now available online. Submissions are due by 28<sup>th</sup> March 2025. After you submit an EOI and it has been assessed, your child will be offered a place at high school.

If your child will not be attending a NSW Government high school next year, please let us know by completing a Placement Not Required form.

If you are unsure whether they will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the process as smooth as possible.

For parents/Carers who are not able to complete an application online, a paper EOI form can be collected from the school office.

This letter can be found in School Bytes so you can access the links.
