Goal Setting Sessions

Dear Parents,

At the beginning of each year our teachers conduct Goal Setting Meetings with our students and their parents. Goal Setting Meetings are a three way conversation that enable parents, carers and students the opportunity to discuss student goals and focus areas for the year with their class teacher. Your input into these meetings is extremely valuable.

Early Stage 1 and Stage 1 Goal Setting Sessions will be held on Friday 19th March 2021.

Times are available from 8.30-12.30 and are 15 minutes long.

This is an important opportunity for you and your child to collaborate with the class teacher.

Please fill in the following note with your preferred time slot and return to your class teacher by Friday 12th March 2021.
